

When checking ARCNET for medical currency REMEMBER it can take 2-4 weeks to show updated once the information is entered in the Preventive Health Assessment/Individual Medical Readiness (PIMR).

If you are a Cat "B" Reservist (Drill for pay) your medical and dental records are now maintained at your location of attachment. Your original medical exams should be sent to that medical facility for placement in your medical/dental records. Personnel conducting your exam should update the Air Force Preventive Health Assessment/Individual Medical Readiness (PIMR) and DDSW will be updated by dental personnel. If you are unsure of your status or location of attachment please contact your Program Manager.

Medical/Dental records for Cat "E" reservist (Drill for points only) are located at HQ RMG/SG. Your original medical exams should be sent to HQ RMG/SG for placement in your medical/dental records. Personnel conducting your exam should update the Air Force Preventive Health Assessment/Individual Medical Readiness (PIMR). Original dental information should be sent to HQ RMG/SG to be placed in your dental records and DDSW be updated by dental personnel. If you are unsure of your status or location of attachment please contact your Program Manager.

If you are a Cat E IMA Please fax your paperwork to COMM 478 327-2349 or DSN 497-2349.
