

# OPERATION: Military Kids

Operation: Military Kids (OMK) is the U.S. Army's collaborative effort with America's communities to support children and youth of National Guard, Reserve and Active Duty families impacted by the Global War on Terrorism. State 4-H Military Liaisons lead OMK State Teams in 34 states in partnership with National Guard, Reserve, the Military Child Education Coalition, Boys and Girls Clubs of America, the National Association of Child Care Resource and Referral Agencies, The American Legion, and schools. These and other community organizations are joining Army Child and Youth Services to support "Suddenly Military" youth before, during, and after the deployment of a parent or loved one.
