RCNSC is the premier, executive level, Department of Defense seminar, held three times a year at the National Defense University. The two-week seminar is designed to provide a foundation in joint command management and staff responsibilities in a multinational, intergovernmental, or joint national security setting. RCNSC is a primary venue for delivering strategic-level education to Reserve and National Guard leaders.

RCNSC PROVIDES:

- A foundation for serving in a multinational, intergovernmental, or joint national security setting.
- Lectures from world-class speakers, published professors, leaders in government and military.
- Interactive discussions with other senior leaders in a non-attribution environment.
- Interaction with government officials during a Capitol Hill visit.
- Immediate, actionable simulation exercise and national security policy scenario that allows students to act on newly acquired knowledge.

The Air Force Legislative Fellowship offers instruction and hands-on experience on Capitol Hill through education and development activities consisting of: an intensive orientation of Congress; a full-time assignment to the staff of a member, committee, or support agency of Congress in Washington D.C.; and periodic seminars throughout the fellowship. The program also provides an outstanding opportunity to write and develop research for potential legislation issues of immediate or ongoing concern for the Air Force and the nation. The enlisted fellow will develop an enhanced perspective of the legislative process on a wide range of issues and will work under the auspices of HQ SAF/LL throughout the AF Legislative Fellowship cycle. This is a 54-month commitment including six months of academic courses, one year on Capitol Hill, and a 36-month post-Fellowship active duty service commitment (full-time AGR status). ADSC commitment tour will likely be in the National Capitol Region.

Unlike most enlisted developmental education courses, the fellowship is not available each year.

ELIGIBILITY: SMSgt with less than 22 years time-in-service. TS/SCI clearance must be obtained prior to start.

PREREQUISITE: Bachelor's degree and completion of SEJPME Legacy (version prior to April 2015), SEJPME I or SEJPME II. Applicants who have not completed SEJPME may apply but must complete it 30 days prior to starting the course.
